## Even In The Quietest Moments by Supertramp

Even in the quietest moments	But (13) the tears (14) falling
I (1) I knew (2) I had to do	They're (15) from the sky
And even though the sun is shining	Well there's a lot of me got to go under before I get high
Well I (3) the rain here it (4) again,	Don't you let the sun disappear
dear	Don't you let the sun disappear
And (5) when you showed me	Don't you let the sun be leaving
My heart was out of tune	No, you can't be leaving my life
For there's a shadow of (6) that's not letting me	Say that you won't be (16) my life
find you too soon	Say that you won't be (17) my life
The music that you gave me	Say won't you please, stay won't you please
The language of my soul	Say won't you please, (18) won't you please
Oh Lord, I want to be with you.	Lord, won't you (19) and get (20) my
Won't you let me come in (7) the cold?	life
Don't you let the sun fade away	Lord, won't you (21) and get into my life
Don't you let the sun fade away	Say won't you please, stay won't you please
Don't you let the sun be leaving	Say won't you please, stay won't you please
Won't you (8) to me soon	Lord, don't go
And even though the stars are listening	And (22) when the song is over
And the ocean's deep, I just go to sleep	Where have I (23) was it (24) a
And then I (9) a silent movie	dream?
You become the star, is (10) what you are, dear?	And though your door is (25) open
Your (11) tells a secret	Where do I (26) may I (27)
Your laughter brings me joy	come in, dear?
And a (12) of feeling I'm Nature's own little	
boy
