Even In The Quietest Moments by Supertramp

| Even in the quietest moments | But still the tears keep falling |
|--|--|
| I wish I knew what I had to do | They're raining (6) the sky |
| And even though the sun is shining | Well there's a lot of me got to go under before I get high |
| Well I feel the rain here it comes again, dear | Don't you let the sun disappear |
| And even when you showed me | Don't you let the sun disappear |
| My heart was out of tune | Don't you let the sun be leaving |
| For there's a shadow of doubt that's not letting me find you too | No, you can't be leaving my life |
| soon | Say that you won't be leaving my life |
| The music that you (1) me | Say (7) you won't be leaving my life |
| The language of my soul | Say won't you please, stay won't you please |
| Oh Lord, I want to be (2) you. | Say won't you please, stay won't you please |
| Won't you let me come in from the cold? | Lord, won't you come and get into my life |
| Don't you let the sun fade away | Lord, won't you come and get into my life |
| Don't you let the sun fade away | Say won't you please, stay won't you please |
| Don't you let the sun be leaving | Say won't you please, stay won't you please |
| Won't you come to me soon | Lord, don't go |
| And (3) though the stars are listening | And even when the song is over |
| And the ocean's deep, I just go to sleep | Where have I been was it just a dream? |
| And then I create a silent movie | And though your (8) is always open |
| You become the star, is that (4) you are, dear? | Where do I begin may I please (9) in, dear? |
| Your whisper tells a secret | |
| Your laughter brings me joy | |
| And a wonder of (5) I'm Nature's own little | |
