

## Fill in the gaps

I can see you in the morning (1) you go to school
Don't forget (2) books, you know you've got to learn the golden rule,
Teacher tells you stop your play and get on with your work
And be like Johnnie - too-good, well don't you know he never shirks
- he's coming along!
After School is (3) you're playing in the park
Don't be out too late, don't let it get too dark
They tell you not to (4) (5) and (6) what life's about
And grow up just like (7) won't you let it work it out
- and you're full of doubt
Don't do this and don't do that
What are they (8) to do?- Make a good boy of you
Do they know where it's at?
Don't criticize, they're old and wise
Do as they tell you to
Don't want the (9) to
Come out and put your eyes
Maybe I'm mistaken expecting you to fight
Or maybe I'm just crazy, I don't know wrong from right
But while I am still living, I've just got this to say
It's always up to you if you want to be that
want to see that
want to see that way
- you're coming along!
