

The stars in the sky

Fill in the gaps

I Don't Want To Talk About It by Rod Stewart

can tell by your eyes (1) you've	Don't mean nothin' to you
Prob'bly (2) cryin' forever	They're (6) a mirror.
And the stars in the sky	I don't wanna' talk about it
Don't mean nothin' to you	How you (7) my heart
They're a mirror.	If I stay here just a little bit longer
I don't wanna' talk about it	If I stay (8) won't you listen
How you broke my heart	To my heart, my heart
If I stay here (3) a little bit longer	Oh! my my heart, my heart.
If I (4) here won't you listen	I don't wanna' talk about it
To my heart, my heart.	How you (9) my heart.
If I stand all alone	If I stay here just a little bit longer
Will the (5) hide the	If I stay here
Colors of my heart	Won't you listen to my heart
Blue for the tears	Oh! my heart.
Black for the night's fears
