

It don't matter, where you turn

Fill in the gaps

Gonna survive, you live and learn.
I've been thinking about you, baby.
By the light of dawn,
And midnight blue day and night I've been missing you.
I've been thinking about you, baby.
Almost makes me crazy,
Come and live with me.
Either way, win or lose,
When you're born into trouble,
You live the blues,
I've been thinking about you, baby.
See: it (1) makes me crazy.
Child, nothing's right if you ain't here
I'd give all that I have, just to keep you near
I wrote you a letter, and tried to (2) it clear,
But you just don't (3) that I'm sincere.

I've been thinking (4) you, baby.
Plans and schemes, hopes and fears,
Dreams I've denied for all these years
I, I've been thinking about you, baby
Living (5) me, wow.
I've been thinking about you, baby
Makes me wanna
Yeah, yeah,
Child, nothing's right, if you ain't here
I'd (6) all that I have, just to keep you near
I wrote you a letter, darling, tried to make it clear,
But you (7) don't believe that I'm sincere.
I've been (8) about you, baby
I (9) you to live with me, wow
I've (10) thinking about you, baby
I want you to live with me.
