## Follow You Follow Me by Genesis

## Fill in the gaps

Stay with me,
My love I hope you'll always be
Right here by my side if (1) I needed you
Oh my love
In your arms,
I feel so safe and so secure
Everyday is such a perfect day to spend
Alone with you
I will follow you will you follow me
All the days and nights that we know will be
I (2) (3) with you will you stay with me
Just one (4) tear in (5) passing year
With the dark,
I see so (6) clearly now
All my fears are (7) by me so slowly now
All my fears are (7) by me so slowly now Fading away
Fading away
Fading away I can say
Fading away  I can say  The night is (8) but you are there
Fading away  I can say  The night is (8) but you are there  Close at (9) I'm better for the smile you give
Fading away  I can say  The night is (8) but you are there  Close at (9) I'm better for the smile you give  And while I live
Fading away  I can say  The night is (8) but you are there  Close at (9) I'm better for the smile you give  And while I live  I will (10) you will you follow me
Fading away  I can say  The night is (8) but you are there  Close at (9) I'm better for the smile you give  And while I live  I will (10) you will you follow me  All the days and nights that we know will be
Fading away  I can say  The night is (8) but you are there  Close at (9) I'm better for the smile you give  And while I live  I will (10) you will you follow me  All the days and nights that we know will be  I will stay with you will you stay with me
Fading away  I can say  The night is (8) but you are there  Close at (9) I'm better for the smile you give  And while I live  I will (10) you will you follow me  All the days and nights that we know will be  I will stay with you will you stay with me  Just one single tear in each passing year there will be
Fading away  I can say  The night is (8) but you are there  Close at (9) I'm better for the smile you give  And while I live  I will (10) you will you follow me  All the days and nights that we know will be  I will stay with you will you stay with me  Just one single tear in each passing year there will be  I will follow you will you follow me
