## Out In The Fields by Gary Moore

## Fill in the gaps

It doesn't matter	No flag has ever stopped
If you're wrong or if you're right	The bullet (6) a gun
It (1) no difference	Death is just a heartbeat away
If you're black or if you're white	Out in the fields
All men are equal	A (7) away
Till the victory is won	Out in the fields
No colour or religion	Death is just a heartbeat away
Ever stopped the bullet from a gun	Out in the fields
Out in the fields	A heartbeat away
The (2) has begun	Out in the fields
Out on the streets	In the fields
They're falling one by one	The fighting has begun
Out from the skies	Out on the streets
A (3) more will die each day	They're falling one by one
Death is just a heartbeat away	Out from the skies
It doesn't matter	A thousand more will die each day
If you're left or to the right	[Lyrics from www.EasyLyrics.org]
Don't try to hide behind the cause	They're falling one by one
They (4) to fight	Out in the fields
