

Inhale by Stone Sour

Fill in the gaps

Come one and all and see the (1)_____ man,
Talking to himself
He sits and waits for something better,
He'll never find it here
The people touch his hair
And pinch his cheek, he can't even feel it
There it goes again, he's listening to someone
He hears the (2)_____ laughter
And all he (3)_____ to know is
Why, does any of it matter? (I can't take it anymore)
You've gotta try, the inhale that makes the exhale so
(4)_____ better
He wipes his hands on anything in reach,
He never feels clean
He shakes at night (5)_____ his nerve is gone,
Every muscle hurts
Come one and all and see what happened,

That broken man is me
There it goes again, I can hear it louder
It doesn't feel good anymore
All I want to know is
Why, does any of it matter? (I can't take it anymore)
You've gotta try, the inhale that makes the exhale so much
better
Now I know I disappear
I can't find my way from out of here
Everything is fading on me
Someone (6)_____ me
Someone tell me
Someone tell me
Why, does any of it matter? (I can't (7)_____ it anymore)
You've gotta try, the inhale that makes the (8)_____
so much better
Why? You've (9)_____ try
