November Rain by Guns N' Roses

When I look into your eyes I can see a love restrained But darlin' when I (1)_____ you Don't you know I feel the same 'Cause nothin' lasts forever
And we both know hearts can change And it's hard to hold a candle In the cold (2)_____ rain We've been through (3)_____ Such
a long long time Just tryin' to kill the pain Yeahh.. But lovers always come And lovers always go And no one's really sure Who's lettin' go today
Walking away If we could take the time To lay it on the line I could rest my head Just knowin' that you were mine All mine So if you want to
(4)_____ me Then darlin' don't refrain Or I'll just end up walkin' In the cold November rain Do you need some time On your own Do you need
some time All alone Everybody needs some time On their own Don't you know you need some time All alone I know it's hard to keep an open heart
When even friends seem out to harm you But if you could heal a broken heart Wouldn't time be out to charm you Sometimes I need some time On my
own Sometimes I need some time All (5)_____ (6)_____ needs (7)_____ time On their own Don't you know you need
some time All alone And when your fears subside And shadows still remain I know that you can love me When there's no one left to blame So never
mind the darkness We still can find a way 'Cause nothin' lasts forever Even cold (8)_____ rain Don't ya think that you Need somebody
Don't ya think that you Need someone (9)_____ needs somebody You're not the only one You're not the only one Don't ya think that
you Need somebody Don't ya think that you Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya
think that you Need somebody Don't ya think (10)_____ you Need someone Everybody needs somebody You're not the only one You're not the
