I Love You by Celine Dion

I must be crazy now
Maybe I dream too much
But when I think of you
I long to feel your touch
To whisper in your ear
Words that are old as time
Words (1)_____ you (2)_____ hear
If (3)_____ you were mine
I (4)_____ I could go back to the very (5)_____
day I saw you
Should've made my move (6)_____ you looked in my
eyes
'Cause by now I know (7)_____ you'd feel the way
(8)_____ I do
And I'd whisper these (9)_____ as you'd lie here by my
side
I love you, please say
You love me too, these three words
They could (10)_____ our lives forever
And I promise you that we will always be together
Till the end of time
So today, I finally find the (11)_____
(12)_____ inside
Just to walk right up to your door
But my (13)_____ can't move (14)_____ I finally get
to it
Just like a thousand (15)_____ before
Then without a word he handed me this letter
Read I hope this finds the way into your heart, it said
I love you, please say
You love me too, these three words
They could change our lives forever
And I promise you that we (16)_____ always be together

Till the end of time
Well maybe I, I need a (17)_____ love yeah
And (18)_____ I, I need a little care
And maybe I, (19)_____ you, maybe you,
(20)_____ you
Oh you need (21)_____ just to hold you
If you do, just (22)_____ out and I'll be there
I love you, please say
You love me too
Please say you love me too
Till the end of time
These three words
They could change our lives forever
And I promise you that we will (23)_____ be
together
Oh, I love you
Please say you love me too
Please please
Say you love me too
Till the end of time
My baby
Together, together, forever
Till the end of time
I (24)_____ you
I will be your light
Shining bright
Shining through (25)_____ eyes
My baby
