

Radioactive by Marina And The Diamonds

Lying on a fake beach	I'm turning radioactive
You'll never get a tan	My blood is radioactive
Baby I'm gonna leave you drowning until you reach for my	My heart is nuclear
hand	Love is all that I feel
In the night (1) heart is full and by the morning	Ready to be let down
empty	Now I'm heading for a meltdown
But baby I'm the one who left you, you're not the one who left	[Bridge]
me	Tonight I (8) like neon gold
[Chorus]	I take one look at you and I grow cold
When (2) around me, I'm radioactive	And I grow cold
My blood is burning, radioactive	And I grow cold
I'm turning radioactive	[Chorus]
My blood is radioactive	When you're around me, I'm radioactive
	March Land March Constants and March Charl
My (3) is nuclear	My blood is burning, radioactive
Love is all that I feel	I'm (9) radioactive
Love is all that I feel	I'm (9) radioactive
