

Evil by Interpol

Rosemary, heaven restores you in life
You're coming (1)_____ me
Through the aging, the fearing, the strife
It's the smiling on the package
It's the faces in the sand
It's the thought that moves you upwards
Embracing me (2)_____ two hands
Right will take you places
Yeah maybe to the beach
When your friends they do come crying
Tell them now (3)_____ pleasure's set upon
(4)_____ release
Hey wait
Great smile
Sensitive to fate, not denial
But hey, who's on trial?
It took a life span with no cell mate
The long way back
Sandy, why can't we look the other way?
He speaks about travel
Yeah we think about the land
We smart like all peoples
Feeling real tan
I could take you places
Do you need a new man?
Wipe the pollen from the faces
Make (5)_____ to a dream while you wait in
the van
Hey wait
Great smile
Sensitive to fate, not denial
But hey, who's on trial?

Fill in the gaps

It took a life span with no cell mate
To find the long way back
Sandy, why can't we look the other way?
You're weightless, you are exotic
You need something for which to care
Sandy, why can't we look the other way?
Leave some shards under the belly
Lay (6)_____ grease inside my hand
It's a sentimental jury
And the (7)_____ of a good brand
You've come to love me lightly
Yeah you come to hold me tight
Is this motion ever lasting
Or just shutters pass through the night?
Rosemary, heaven restores you in life
I (8)_____ a life span with no cell mate
The long way back
Sandy, why can't we look the other way?
You're weightless, semi-erotic
You need (9)_____ to take you there
Sandy, why can't we look the other way?
Why can't we just play the other game?
Why can't we just look the other way?
