

## Fill in the gaps

### Lies by Mcfly

Better run for cover

You're a hurricane full of lies

And the way you're heading

No one's getting out alive

So do us all a favor

Would you find somebody else to blame

'Cause your words are like bullets and I'm the way your weapons aim

I guess I could fill a book with things that I don't know about you baby

You're not misunderstood but you got

You got to go
