Year 3000 by Jonas Brothers

One day

When I came home

At lunchtime

I heard a funny noise

Whet out

To the backyard

To find out

If it was one of those rowdy boys

Stood there

With my neighbor

Called Peter

And a flux capacitor

He told me he built a time machine

Like the one in the film I've seen

Yeah

He said

I've (1)_____ to the year three thousand

Not much has changed but they lived under water

And your great, great, great granddaughter

Is doing fine

Doing fine...

He (2)_____ me

To the future

In the flux thing

And I saw everything

Boybands

And another one

And another one

And another one

Girls there

With round hair

Like star wars

Float above the floor

We drove around in a time machine

Like the one in the film I've seen

Yeah

(Oh)

He said

I've been to the year three thousand

Not much has changed but they lived under water

And your great, great, great granddaughter

Is (3)_____ fine

Doing fine

I took a trip to the year 3000

This song had gone multi platinum

Everybody bought our seventh album

It had outsold Kelly Clarkson

I took a trip to the year 3000

This song had gone multi platinum

Everybody bought our seventh album...

He told me he (4)_____ a (5)_____ machine

Like the one in the film I've seen

Yeah

I've (6)_____ to the year three thousand

Not much has (7)_____ but they lived under water

And your great, great, great granddaughter

Is doing fine

Doing fine

...

He said

I've been to the year three thousand

Not much has changed but they lived under water

And your great, great, great granddaughter

Is doing fine (is doing fine, is doing fine)

He said

I've been to the year three thousand

Not much has changed but they (8)_____ under water

And your great, great, great granddaughter

Is (9)_____ fine

Doing fine

He said

I've been to the year three thousand

Not much has changed but they lived under water

And your great great great granddaughter

Is doing fine

Doing fine

(Ha)
