Spaceman by The Killers

It started with a low light
Next thing I knew (1)_____ (2)_____ me from
my bed
And (3)_____ they took my blood type
They left a strange impression in my head
You know (4)_____ I was hoping
That I could leave this star-crossed world behind
But when they cut me open
I guess I changed my mind
And you know I might
Have (5)_____ flown too far from the floor this time
'Cause (6)_____ calling me by my name
And the zipping white light beams
Disregarding bombs and satellites
That was the turning point
That was one lonely night
The star maker (7)_____ it ain't so bad
The dream maker's gonna (8)_____ you mad
The spaceman says everybody (9)_____ down
It's all in your mind
Well now I'm back at home and
I'm (10)_____ forward to this life I live
You know it's gonna (11)_____ me
So (12)_____ to this life I give
You think you might cross over
You caught (13)_____ the devil and the deep
blue sea
You better (14)_____ it over
Before you make that leap
And you know I'm fine but I hear those voices at night
Sometimes... they justify my claim
And the public don't dwell on my transmission

'Cause it wasn't televised...
But it was a turning point
Oh what a lonely night
The (15)_____ maker says it ain't so bad
The dream maker's (16)_____ make you mad
The spaceman says everybody look down
It's all in your mind
The (17)_____ maker says it ain't so bad
The dream maker's gonna make you mad
The (18)_____ says
(19)_____ look down
It's all in your mind
My global position systems are vocally addressed
They say the (20)_____ (21)_____ to run from
(22)_____ to west
They say the Nile used to run from east to west
I'm fine
But I hear those (23)_____ at night
Sometimes...
The (24)_____ (25)_____ says it ain't so bad
The dream maker's gonna make you mad
The spaceman (26)_____ everybody look down
It's all in your mind
The star maker says It ain't so bad
The dream maker's (27)_____ make you mad
The (28)_____ says everybody look down
It's all in your mind
It's all in my mind
It's all in my mind...
