

Fill in the gaps

Spaceman by The Killers

It started with a low light
Next thing I knew (1)_____ (2)_____ me from
my bed
And then they took my blood type
They left a strange impression in my head
You know that I was hoping
That I could leave (3)_____ star-crossed (4)_____
behind
But when they cut me open
I guess I changed my mind
And you know I might
Have (5)_____ flown too far from the floor (6)_____
time
'Cause (7)_____ calling me by my name
And the zipping white light beams
Disregarding (8)_____ and satellites
That was the turning point
That was one lonely night
The star (9)_____ (10)_____ it ain't so bad
The (11)_____ maker's gonna make you mad
The spaceman says everybody look down
Its all in your mind
Well now I'm back at (12)_____ and
I'm looking forward to (13)_____ (14)_____ I live
You know it's gonna haunt me
So hesitation to this life I give
You (15)_____ you might cross over
You (16)_____ between the devil and the deep blue
sea
You (17)_____ look it over
Before you make (18)_____ leap
And you know I'm fine but I hear those voices at night
Sometimes... they justify my claim
And the (19)_____ don't dwell on my transmission

'Cause it wasn't televised...
But it was a turning point
Oh what a lonely night
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman (20)_____ everybody look down
It's all in your mind
The star maker says it ain't so bad
The (21)_____ maker's gonna (22)_____ you
mad
The spaceman says everybody look down
Its all in your mind
My (23)_____ position systems are
(24)_____ addressed
They say the Nile used to run from (25)_____ to west
They say the Nile (26)_____ to run from east to west
I'm fine
But I (27)_____ those voices at night
Sometimes...
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
Its all in your mind
The star maker (28)_____ It ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
It's all in your mind
It's all in my mind
It's all in my mind...

Fill in the gaps

Answer

1. they
