

## Hips Don't Lie by Shakira & Wyclef Jean

in.

Oh boy I can see your body moving

	Half animal half man
I never really knew that she could dance (1) this	I don't don't really know what I'm doing
She makes a man wants to speak Spanish	But you seem to (3) a plan
	My (4) and (5) restraint
Oh baby when you talk like that	Have come to fail now fail now
You make a woman go mad	See I am doing what I can but I can't so you know
So be wise and keep on	That's a bit too hard to explain
Reading the signs of my body	
And I'm on tonight	I never really knew that she could dance like this
You know my hips don't lie	She makes a man want to speak Spanish
And I'm starting to feel it's right	
All the attraction the tension	Oh baby when you (6) like that
Don't you see baby this is perfection	You know you got me hypnotized
Hey Girl I can see your body moving	So be wise and keep on
And it's driving me crazy	Reading the signs of my body
And I didn't have the slightest idea	(Señorita) feel the (7) let me see you move
Until I saw you dancing	Like you (8) from Colombia
And when you walk up on the dance floor	She's so sexy (9) man's fantasy a refugee like
Nobody cannot ignore the way you move your body girl	me
And (2) so unexpected the way you	Back with the Fugees from a 3rd world country
right and left it	I go back like when 'pac carried crates for Humpty Humpty
right and left it So you can keep on taking it	I go back like when 'pac carried crates for Humpty Humpty We need a whole club dizzy
ů
