

Over You by Daughtry

Now that it's all said and done
I can't believe you were the one
To build me up (1)_____ tear me down
Like an old abandoned house
And what you (2)_____ when you left
Just left me cold and out of breath
I fell too far, was in way too deep
Guess I let you get the best of me...
Well, I never saw it coming
I should've started running
A long, long time ago
And I never thought to doubt you
I'm better off without you
More than you, (3)_____ than you know
I'm slowly getting closure
I guess it's really over
I'm finally getting better
Now I'm picking up the pieces
I'm spending all of (4)_____ years
Putting my heart back together
'Cause the day I thought I'd never get through
I got over you
You took a hammer to (5)_____ walls
Dragged the memories down the hall
Packed your bags and walked away
There was (6)_____ I could say
And when you slammed the front (7)_____ shut
A lot of others opened up
So did my eyes so I could see
That you never (8)_____ the best for me
Well, I never saw it coming
I should've started running
A long, long (9)_____ ago
And I never (10)_____ to doubt you
I'm better off without you
More than you, (11)_____ than you know
