Home by Daughtry

I'm staring out into the night

Trying to hide the pain

I'm going to the place where love

And feeling good don't ever cost a thing

And the pain you feel's a different kind of pain

I'm going home

Back to the (1)_____ where I belong

And where your love has always been enough for me

I'm not running from

No, I think you got me all wrong

I don't (2)_____ this life I chose for me

But these places and these faces are getting old

So I'm going home

Well I'm going home

The miles are (3)_____ longer, it seems

The closer I get to you

I've not always been the best man or friend for you

But (4)_____ love, remains true

And I don't know why

You always seem to give me another try

So I'm going home

Back to the (5)_____ where I belong

And where your love has always been

Enough for me

I'm not running from

No, I think you got me all wrong

I don't regret this life I chose for me

But these places and these faces are getting old

Be careful what you wish for

'Cause you just might get it all

You just might get it all

And then some you don't want

Be careful what you wish for

'Cause you (6)_____ might get it all

You just might get it all, yeah

Oh, (7)_____ I'm going home

Back to the place (8)_____ I belong

And where your love has always been enough for me

I'm not running from

No, I think you got me all wrong

I don't regret this life I chose for me

But these places and these (9)_____ are getting old
