

Fill in the gaps

93 Million Miles by Jason Mraz

93 (1)_____ miles from the sun

People get ready, get ready

'Cause here it comes, it's a light

A (2)_____ light

Over the horizon, into our eyes

Oh, my, my, how beautiful

Oh, my beautiful mother

She told me, son, in life you're gonna go far

If you do it right, you'll love where you are

Just know, wherever you go

You can always come home...

240 thousand (3)_____ from the moon

We've come a long way to belong here

To share this view of the night

A glorious night

Over the horizon is another bright sky

Oh, my, my, how beautiful

Oh, my irrefutable father

He (4)_____ me, son, sometimes it may seem dark

But the absence of the light is a necessary part

Just know, you're (5)_____ alone

You can always (6)_____ back home...

Home

Home

You can always come back

Every road is a slippery slope

But there is always a hand that you can hold on to

Looking (7)_____ through the telescope

You can see that your home's (8)_____ of you

Just know

That wherever you go

No, you're never alone

You will always get back home....
