#### Love The Way You Lie (with Eminem) by Rihanna

Just gonna (1) there and watch me burn
Well that's alright because I like the way it hurts
Just gonna stand there and hear me cry
Well that's alright because I love the way you lie
I love the way you lie
[Eminem]
I can't tell you what it really is
I can only tell you what it feels like
And (2) now there's a steel knife in my windpipe
I can't breathe but I still fight while I can fight
As long as the wrong feels right it's like I'm in flight
High off of love, drunk from my hate
Its (3) I'm huffing paint
And I love it the more that I suffer, I suffocate
And right before I'm about to (4) she
resuscitates me
She fucking hates me and I love it, wait
Where you going, I'm leaving you
No you ain't, come back
We're running (5) back
Here we go again, it's so insane
Cause when it's going good it's going great
I'm (6) with the wind at his back, she's
Lois Lane
But when it's bad (7) awful I feel so ashamed,
But when it's bad (7) awful I feel so ashamed, I snapped
I snapped
I snapped Who's that dude I don't even know his name
I snapped Who's that dude I don't even know his name I laid hands on her, I'll never stoop so low again
I snapped Who's that dude I don't even know his name I laid hands on her, I'll never stoop so low again I guess I don't know my own strength
