

Fill in the gaps

Mirrors (Live) by Justin Timberlake

Aren't you (1)_____ to admire

'Cause your shine is something like a mirror

And I can't help but notice

You reflect in this heart of mine, yeah

If you ever feel (2)_____ and

The glare makes me hard to find

Just know that I'm always

Parallell on the other side

'Cause with your hand in my hand

And a pocket full of soul

I can tell you there's no place we couldn't go

Just put your hand on the past

I'm here trying to pull you through

You just gotta be strong

'Cause I don't (3)_____ lose you now

I'm looking right at the other half of me

The vacancy that sat in my heart

Is a space that now you hold

Show me how to fight for now

And I'll tell you baby

It was easy coming back into you once

I figured it out

You were right (4)_____ all along

It's like you're my mirror

My (5)_____ staring back at me

I couldn't get any bigger

With anyone else beside of me

And now it's clear as this promise

That we're making

Two reflections into one

'Cause it's like you're my mirror

My mirror staring back at me, staring back at me

Aren't you something

An original, 'cause it doesn't seem merely assembled

And I can't help but stare 'cause

I see truth somewhere in your eye

I can't ever change without you

You reflect me, I love that about you

And if I could, I would look at us all the time

'Cause with your hand in my hand

And a pocket full of soul

I can tell you there's no place we couldn't go

Just put your (6)_____ on the past

I'm here trying to pull you through

You just gotta be strong

'Cause I don't wanna lose you now

I'm looking right at the other half of me

This (7)_____ that sat in my heart

Is a space that now you hold

Show me how to fight for now

And I'll tell you baby, it was easy

Coming back into you once I figured it out

You were right here all along

It's like you're my mirror

My mirror staring back at me

I couldn't get any bigger

With anyone else beside of me

And now it's clear as this promise

That we're making

Two reflections into one

'Cause it's like you're my mirror

My mirror staring back at me (staring back at me)

Yesterday is history

Tomorrow's a mystery

I can see you looking back at me

Keep your eyes on me

Baby, keep your eyes on me

London ('cause I don't wanna lose you now)

Put your hands together right now, come on

I'm looking right at the other half of me

This vacancy that sat in my heart

Is a space that now you hold (no, no, no, no)

Show me how to fight for now

And I'll (8)_____ you baby that it was easy

Coming back into you once I figured it out

You were right here all along

It's like you're my mirror

My mirror staring back at me

I couldn't get any bigger

With anyone else beside of me

And now it's clear as this promise

That we're making

Two (9)_____ into one

'Cause it's (10)_____ you're my mirror (no, no, no)

My mirror staring back at me, staring back at me

No

Thank you London

Have a great night

Fill in the gaps

Answer

1. something
