I know (1)_____ how you feel
It doesn't matter what you say
I see the sun (2)_____ to set
And we gotta, gotta get away
I (3)_____ patch of open road
I already miss you with all of my soul
So before we both get old
I (4)_____ we gotta, gotta get away
I keep wishing for all the tickets
Stack 'em on my wall
Let's rip (5)_____ down
And leave the town before the (6)_____ can call
And bring us back
Cover our (7)_____ in the dust
I think we must
Take on the world
Let's go crazy
Love will tell us where to go
I'll be (8)_____ girl, be my baby
Love will tell us where to go
(Oh oh oh) through a dark night
(Oh oh oh) without a sunrise
(Oh oh oh) and we (9)_____ be alright
Love will (10)_____ us where to go
Love will (11)_____ us where to go
Love will tell us where to go
The wheels on (12)_____ (13)_____ keep turning
We're flying with the birds and
The worlds so bright it hurts when
We're on the getaway
I'm the (14)_____ to (15)_____ Clyde
You're the mood and I'm the tide, I
I (16)_____ this for all of my life
Since the night that we got away
I keep (17)_____ for all the tickets
Stack 'em on my wall
Let's rip them down
And (18)_____ the town before the cops can call

And bring us back
Cover our (19)_____ in the dust
I think we must
Take on the world
Let's go crazy
Love will tell us (20)_____ to go
I'll be your girl, be my baby
Love will tell us (21)_____ to go
(Oh oh oh) (22)_____ a dark night
(Oh oh oh) without a sunrise
(Oh oh oh) and we will be alright
Love will (23)_____ us where to go
Love will tell us where to go
Love will tell us (24)_____ to go
When things get rough
When we have loved
We've got enough to tell us where to go
When we get lost
When love is all (oh) that we got
To tell us where to go
Then we're alright
We'll be alright
Tell us where to go
Then we're alright
We'll be alright
Love (25)_____ tell us where to go
Take on the world, let's go crazy
Love will (26)_____ us where to go
I'll be your girl, be my baby
Love will (27)_____ us where to go
(Oh oh oh) through a (28)_____ night
(Oh oh oh) without a sunrise
(And we will be alright)
