Born This Way by Lady Gaga

This is the manifesto

Of Mother Monster

On G.O.A.T.

A Government Owned Alien Territory In Space

A birth of magnificent

And magical proportions took place

But the (1)_____ was not finite it was infinite

As the whombs numbered

And the mitosis of the future began

It was perceived that this infamous moment in life

Is not temporal

It is eternal

And thus began the beginning of the new race

A race within the race of humanity

A (2)_____ which bears no prejudice

No judgement but boundless freedom

But on that same day

As the eternal mother hovered in the multiverse

Another (3)_____ terrifying birth took place

The birth of evil

And as she herself split into two

Rotating in agony between two ultimate forces

The pendulum of choice began its dance

That seems easy, you imagine

To gravitate instantly and unweaveringly towards good

But she wondered

How can I protect something so perfect

Whithout evil?

It doesn't matter if you love him
