With (7) one it grows higher and higherloveAnd I can't get over itTimes not healing anything
And I can't get over it Times not healing anything
Livet contract but out this love
I just can't put out this love Baby this pain is worse than it ever was
I just sit in these flames I know that you can't (23) me but baby
And (8) that you'll come back I need you to save me tonight
Close my eyes tightly Tonight your memory (24) like a fire
Hold on and hope that I'm dreaming With every one it (25) higher and higher
Come (9) me up I can't get over it
Turn the TV up loud (10) to drown out your voice I just can't put out this love
But I can't forget I (26) sit in these flames
Now I'm all out of ideas And pray (27) you'll come back
And baby I'm (11) to my last cigarette Close my eyes tightly
Yeah you're probably asleep (12) inside of your Hold on and hope that I'm dreaming
Dreams while I'm sitting here crying Come wake me up
And trying to see (Oh) I'm dreaming (28) wake
Yeah (13) you are baby now Me up
I am sure that you've moved on (Oh) I'm dreaming
And aren't thinking (14) about me and you
