

## Fill in the gaps

### Love Like Winter by AFI

Warn you once to turn away  
Here it's December, everyday  
Press your (1)\_\_\_\_\_ to the sculptures  
And surely you'll stay (love like winter...)  
Fire, sugar, and ice  
I am made, I am made  
It's in the blood, it's in the blood  
I met my love, before I was born  
He wanted love, I taste the blood  
He bit my lip, and drank my warmth  
From years before  
From years before  
She attails the mirror lace  
I (2)\_\_\_\_\_ dreamt her, (3)\_\_\_\_\_  
(yesterday...)  
With the lines in the mirror  
Through the lipstick trace...  
She said "It seems you're somewhere, far away..."

To his place"  
It's in the blood, it's in the blood  
I met my love, (4)\_\_\_\_\_ I was born  
She (5)\_\_\_\_\_ love, I taste the blood  
She bit my lip, and drank my warmth  
From (6)\_\_\_\_\_ before  
From years before  
Love (7)\_\_\_\_\_ (8)\_\_\_\_\_ (Oh oh...)  
Love like winter, winter... 3...4...  
It's in the blood, it's in the blood  
I met my love, before I was born  
He wanted love, I taste the blood  
He bit my lip, and (9)\_\_\_\_\_ my warmth  
From years before  
From years before

## Fill in the gaps

Answer

1. lips
2. barely
3. yesterday
4. before
5. wanted
6. years
7. like
