

Fill in the gaps

Love Like Winter by AFI

Warn you once to turn away
Here it's December, everyday
Press (1)_____ lips to the sculptures
And (2)_____ you'll stay (love like winter...)
Fire, sugar, and ice
I am made, I am made
It's in the blood, it's in the blood
I met my love, (3)_____ I was born
He wanted love, I taste the blood
He bit my lip, and drank my warmth
From years before
From (4)_____ before
She attails the mirror lace
I barely dreamt her, yesterday (yesterday...)
With the lines in the mirror
Through the (5)_____ trace...
She said "It seems you're somewhere, far away..."

To his place"
It's in the blood, it's in the blood
I met my love, before I was born
She wanted love, I taste the blood
She bit my lip, and drank my warmth
From years before
From (6)_____ before
Love (7)_____ winter (Oh oh...)
Love like winter, winter... 3...4...
It's in the blood, it's in the blood
I met my love, before I was born
He wanted love, I taste the blood
He bit my lip, and drank my warmth
From years before
From (8)_____ before

Fill in the gaps

Answer

1. your
2. surely
