Gotta Go My Own Away by High School Musical 2

I gotta say what's on my mind	But at least for now
Something about us	I (12) go my own way
Doesn't seem (1) these days	What about us?
Life keeps getting in the way	What (13) everything we've been through?
Whenever we try (2) the plan	What about trust?
Is always rearranged	You (14) I never wanted to hurt you
It's so (3) to say	What (15) me?
But I gotta do what's best for me	What am I supposed to do?
You'll be okay	I gotta leave but I'll (16) you
I've got to move on, and be who I am	
I just don't belong here	So I've got to (17) on, and be who I am
I hope you understand	(Why do you have to go)
We might (4) our place in this world someday	I (18) don't belong here
But at least for now	I hope you (19) (trying to
I gotta go my own way	understand)
I gotta go my own way Don't wanna (5) it all behind	understand) We might find our place in this world someday
	,
Don't wanna (5) it all behind	We might find our place in this world someday
Don't wanna (5) it all behind But I get my hopes up	We might find our place in this world someday But at least for now (I want you to stay)
Don't wanna (5) it all behind But I get my hopes up And I watch them fall every time	We might find our place in this world someday But at least for now (I want you to stay) I (20) go my own way
Don't wanna (5) it all behind But I get my hopes up And I watch them fall every time Another (6) turns to grey	We might find our place in this world someday But at least for now (I want you to stay) I (20) go my own way I've got to (21) on, and be who I am
Don't wanna (5) it all behind But I get my hopes up And I watch them fall every time Another (6) turns to grey And it's just too hard to watch it all	We might find our place in this world someday But at least for now (I want you to stay) I (20) go my own way I've got to (21) on, and be who I am (What (22) us?)
Don't wanna (5) it all behind But I get my hopes up And I watch them fall every time Another (6) turns to grey And it's just too hard to watch it all Slowly (7) away	We might find our place in this world someday But at least for now (I want you to stay) I (20) go my own way I've got to (21) on, and be who I am (What (22) us?) I just don't (23) here
Don't wanna (5) it all behind But I get my hopes up And I watch them fall every time Another (6) turns to grey And it's just too hard to watch it all Slowly (7) away I'm leaving today	We might find our place in this world someday But at least for now (I want you to stay) I (20) go my own way I've got to (21) on, and be who I am (What (22) us?) I just don't (23) here I hope you understand (trying to understand)
