

## Fill in the gaps

### Set Fire To The Rain (Live) by Adele

I let it fall, my heart  
And as it fell, you rose to claim it  
It was dark and I was over  
Until you kissed my lips and you saved me  
My hands they (1)\_\_\_\_\_ strong  
But my knees were far too weak  
To stand in your arms  
Without falling to your feet  
But there's a side, to you  
That I never knew, never knew  
All the things you'd say  
They were never true, never true  
And the games you'd play  
You would always win, always win  
But I set fire to the rain  
Watched it pour as I touched your face  
Well, it burned while I cried  
'Cause I heard it screaming out your name  
Your name...  
When I lay, with you  
I could stay there, (2)\_\_\_\_\_ my eyes  
Feel you here forever  
You and me together, nothing is better!  
Cause there's a side, to you  
That I never knew, (3)\_\_\_\_\_ knew  
All the things you'd say  
They were never true, never true  
And the games you'd play  
You (4)\_\_\_\_\_ always win, always win  
But I set fire to the rain

Watched it pour as I touched your face  
Well, it burned while I cried  
'Cause I heard it screaming out your name  
Your name...  
I set fire to the rain  
And I threw us into the flames  
Well, it felt something died  
Cause I knew that that was the (5)\_\_\_\_\_ time  
The last time...  
Sometimes I wake up by the door  
That heart you caught must be waiting for ya...  
Even now when we're already over  
I can't help myself from looking for ya  
I set (6)\_\_\_\_\_ to the rain  
Watched it pour as I touched your face  
Well, it burned while I cried  
'Cause I heard it screaming out your name  
Your name...  
I set fire to the rain  
And I (7)\_\_\_\_\_ us into the flames  
Well, it felt something died  
'Cause I (8)\_\_\_\_\_ that (9)\_\_\_\_\_ was the last time  
The (10)\_\_\_\_\_ time...  
Oh oh oh oh oh...  
Let it burn...  
Oh oh oh oh oh...  
Let it burn...  
Let it burn...

Answer

1. were
2. close
3. never
4. would
5. last
6. fire
7. threw
8. knew
9. that
10. last
