So Far Gone by James Blunt

Tell me the wars you're fighting
Behind the (1)_____ you're hiding
All of the things I know you want to say
We tried our best to (2)_____ us
But there are no lights to (3)_____ us
I can't sleep beside a stranger now
And piece by piece we fall apart
But every beat slows down my heart
So I'll just say what you won't say
And I'll take the blame if it's for your sake
No turning (4)_____ on what you can't save
So far gone
Yeah, we're so far gone
I've (5)_____ hard to remember
This prison cell used to be a shelter
Now we're just looking for the (6)_____ way out
And I can't fight you anymore
You're already one foot out the door
So I'll just say what you won't say

And I'll take the blame if it's for your sake
No turning back on what you can't save
So far gone
Yeah, we're so far gone
And this is the face of (7)_____ go
And these are the things we already know
So I'll just say what you won't say
And I'll take the blame if it's for (8)_____ sake
No turning back on what you can't save
So I'll just say what you won't say (won't say)
And I'll take the blame if it's for your sake (your sake)
No turning back on (9)_____ you can't save
So far gone
Yeah, we're so far gone
Yeah, we're so far gone
So I'll just say what you won't say
