

## Crush by David Archuleta

### Fill in the gaps

I hung up the (1)\_\_\_\_\_ tonight  
Something happened for the first time  
Deep inside, it was a rush, what a rush (what a rush)  
'Cause the possibility  
That you would ever feel the same way about me  
It's (2)\_\_\_\_\_ too much, just too much  
Why do I keep running from the truth  
All I ever think about is you  
You got me hypnotized, so mesmerized  
And I just got to know  
Do you ever think, when you're all alone  
All (3)\_\_\_\_\_ we can be, where this thing can go  
Am I crazy or (4)\_\_\_\_\_ in love  
Is it real or just another crush  
Do you (5)\_\_\_\_\_ a breath, (6)\_\_\_\_\_ I look at you  
Are you holding back, like the way I do  
'Cause I'm trying trying to walk away  
But I know this crush ain't going away...  
Going away...  
Has it ever crossed your mind  
When we're hanging spending time girl  
Are we just friends, is there more, is there more...  
See it's a chance we've gotta take  
'Cause I believe that we can make this into  
Something that will last, last forever, forever

Do you ever think, (7)\_\_\_\_\_ you're all alone  
All that we can be, where this thing can go  
Am I crazy or falling in love  
Is it real or just another crush  
Do you catch a breath, when I look at you  
Are you holding back, like the way I do  
'Cause I'm trying, trying to walk away  
But I know this crush ain't going away...  
Going away...  
Why do I keep running from the truth  
All I ever think about is you  
You got me hypnotized, so mesmerized  
And I (8)\_\_\_\_\_ got to know...  
Do you ever think, when you're all alone  
All that we can be, where this thing can go  
Am I crazy or falling in love  
Is it real or just another crush  
Do you catch a breath, when I look at you  
Are you holding back, like the way I do  
'Cause I'm trying, trying to walk away  
But I know (9)\_\_\_\_\_ crush ain't going away...  
Going away... going away...  
...

## Fill in the gaps

Answer

1. phone
2. just
3. that
4. falling
5. catch
6. when
7. when
8. just
9. this
