You've Got The Love by Florence & The Machine

Sometimes I feel like (1) my hands up in	But you've got the love I need to see me through
the air	You got the love
I know I can count on you	You got the love
Sometimes I feel like saying "Lord I (2) don't care"	You got the love
But you've got the love I need to see me through	You got the love
Sometimes it seems the going is just too rough	You got the love
And (3) go wrong no matter what I do	You got the love
Now and then it seems like life is just too much	You got the love
But you've got the love I need to see me through	You got the love
When food is gone you are my (4) need, (oh)	You got the love
When friends are gone I know my saviour's love is real	You got the love
You (5) it's real	You got the love
You got the love	You got the love
You got the love	
You got the love	Sometimes I feel like (8) my hands up in
You got the love	the air
You got the love	'Cos I know I can count on you
You got the love	Sometimes I feel like saying "Lord I just don't care"
Time after (6) I think "(Oh) Lord what's the use?"	But you've got the love I (9) to see me through
Time after (7) I think it's just no good	
Sooner or later in life, the things you love you lose
