# Breakdown by Jack Johnson

I hope this old train (1)_____ down

Then I could take a walk around

See (2)_____ there is to see

Time is (3)_____ a melody

With all the people in the street walking fast as their feet

Can take them, I just roll through town

And though my window's got a view

Well the frame I'm looking through

Seems to have no concern for now

So for now I

I need this old train to breakdown

(Oh) please just let me (4)_____ breakdown

Well this engine screams out loud

Centipede going to crawl westbound

So I don't even make a sound

Cause it's going to sting me when I leave this town

And all the (5)_____ in the street that I'll never get to meet

If these tracks don't bend somehow

And I got no time

That I got to get to where I don't need to be

So I...

I need this old train to breakdown

(Oh) please (6)_____ let me please breakdown

I need this old (7)_____ to breakdown

(Oh) (8)_____ (9)_____ let me please breakdown

I want to break on down

But I can't (10)_____ now

Let me break on down

But you can't stop nothing if you got no control

Of the thoughts in your mind that you kept and you know

That you don't know nothing but you don't need to know

The wisdom's in the trees not the glass windows

You can't stop wishing if you don't let go

Of the things that you find and you lose and you know

You keep on rolling, put the moment on hold

(Because) the frame's too bright, so put the blinds down low

I need this old train to breakdown

(Oh) please just let me please breakdown

I need this old train to breakdown

(Oh) please just let me please breakdown

I want to break on down

But I can't stop now
