

## Fill in the gaps

Seventeen seconds and I'm (1) it	But it's alright now
(2) for the disconnect	-Was it really (17) it baby?-
Putting on a (3) face	Alright now
(4) not to listen	-Was it (18) a (19) of time?-
To the (5) in the back of my head	Keep on second-guessing
But it's alright now	Use my memory (20) a weapon
-It's a distant (6) baby-	On everything I try
(7) now	Wearing me out
-You know you should just let it go-	-All this-
Some feelings (8) a (9) of persisting	(21) around
(10) though you wouldn't let it show	-It just starts-
(11) me out	Getting me down
-All this-	-Till I'm just-
Hanging around	(22) for an (23) way out
-It just starts-	Wearing me out
Getting me down	-But it's alright now-
-Till I'm just-	Hanging around
Looking for an easy way out	-Alright now-
(12) dead from boredom	Getting me down
I'm led to distraction	-But it's (24) now-
(13) the surface of life	(25) for an (26) way out
Nothing really happens	
But it's easy to (14) busy	
When you tell (15) you're	
(16) right
