

Fill in the gaps

Circle the drain by Katy Perry

This is the last time, you say
After the last line you break
It's not even a holiday
Nothing to celebrate
You give a hundred reasons why
And say you're really gonna try
If I had a nickel for every time
I'd own the bank
Thought I was the exception
I could re-write (1)_____ addiction
You could have been the greatest
But you'd (2)_____ get wasted
You fall asleep during foreplay
(3)_____ the pills you take are more your forte
I'm not (4)_____ (5)_____ to watch
you go down
Wanna be your lover
Not (6)_____ fu*king mother
Can't be your savior
I don't have the power
I'm not gonna stay
And watch you circle the drain
Watch you circle the drain
Watch you (7)_____ the drain
You say you have to write your rhymes
Whatever half asleep at night
You've (8)_____ (9)_____ you despise
A stereotype
You think you're so (10)_____ and roll
But you're really just a joke
Had the (11)_____ in the palm of (12)_____
hand
But you (13)_____ choked
Should have been my teammate
Could have (14)_____ (15)_____ fate
You say that you love me

You won't (16)_____ in the morning
You fall asleep during foreplay
'Cause the pills you take are (17)_____ (18)_____
forte
(19)_____ not sticking (20)_____ to watch
you go down
Wanna be your lover
Not your fu*king mother
Can't be your savior
I don't have the power
I'm not (21)_____ stay
And (22)_____ you circle the drain
Watch you circle the drain
Watch you circle the drain
You fall (23)_____ during foreplay
'Cause the pills you take are more your forte
(24)_____ not sticking around to watch you go down
-I'm not sticking around-
Wanna be your lover
Not your fucking mother
Can't be your savior
I don't have the power
I'm not gonna stay
And watch you circle the drain
Watch you circle the drain
Watch you circle the drain
(25)_____ you circle the drain
Watch you circle the drain
You're going down
(bis)
You (26)_____ asleep (27)_____ foreplay
'Cause the pills you take are more your forte
I'm not sticking around to watch you go down

Fill in the gaps

Answer

1. your
