Before the worst by The Script

It's been a while since the two of us talked
About a week since the day (1)_____ you walked
Knowing (2)_____ would (3)_____ be the
same
With your empty heart and mine full of pain
So (4)_____ to me, how we came to this
Take it back to the night we kissed
It was (5)_____ city on a Friday night
There were vodkas and coke, I was Guinness all night
We were sitting with our backs against the world
Saying things that we (6)_____ but never heard
Who would (7)_____ thought it would end up like this?
Where everything we (8)_____ about is gone?
And the (9)_____ chance we have of moving on
Is try to take it back before it all went wrong
Before the worst, (10)_____ we mend
Before our hearts decide
It's time to love again
Before too late
(11)_____ too long
Let's try to take it back (12)_____ it all went wrong
There was a time
That we'd stay up all night
Best friends yet talking till the daylight
Took the (13)_____ alongside the pain
With not (14)_____ to loose, but so much to gain
Are you hearing me? Because I don't wanna miss you
You were adrift on (15)_____ bliss
In (16)_____ Grafton Street on a rainy night

I was (17)_____ on one (18)_____ and you were
mine for life
We were thinking we would never be apart
With your name tattooed across my heart
Who would (19)_____ thought it would end up
(20)_____ this?
Where (21)_____ we talked about is
gone
And the only (22)_____ we have of moving on
Is try to take it back before it all went wrong
Before the worst, before we mend
(23)_____ our (24)_____ decide
It's time to love again
Before too late
Before too long
Let's try to take it back before it all went wrong
And if the clouds don't clear
(25)_____ we'll (26)_____ above it, we'll rise above
it
Heaven's (27)_____ is so near
(28)_____ walk with me through
Just like we used to, just like we used to
Let's take it (29)_____ before it all went wrong
Before the worst, before we mend
Before our hearts decide
It's time to love again
Before too late
Before too long
Let's try to take it back before it all went wrong
