

## Fill in the gaps

### I Love My Computer by Bad Religion

I love my computer  
You make me feel alright  
Every waking hour  
And every lonely night  
I love my computer  
For all you give to me:  
Predictable errors and no identity  
And it's never been quite so easy  
I've never been quite so happy  
All I need to do is click on you  
And we'll be joined  
In the (1)\_\_\_\_\_ soul-less way  
And we'll never (2)\_\_\_\_\_ each other's day  
'cuz when I'm through I just click  
And you just go away  
I love my computer  
You're always in the mood  
I get so turned on

When I turn on you  
I love my computer  
You never ask for more  
You can be a princess  
Or you can be my whore  
And it's (3)\_\_\_\_\_ (4)\_\_\_\_\_ (5)\_\_\_\_\_ so  
easy  
I've never been quite so happy  
The (6)\_\_\_\_\_ outside is so big  
But it's (7)\_\_\_\_\_ in my domain  
Because to you  
I'm just a number  
And a clever screen name  
All I need to do is (8)\_\_\_\_\_ on you  
And we'll be (9)\_\_\_\_\_ for eternity  
And no one is ever gonna (10)\_\_\_\_\_ my love  
From me because I've got security  
Her password and a key

Answer

1. most
2. ruin
3. never
4. been
5. quite
6. world
7. safe
8. click
9. together
10. take
