Thinking Out Loud by Ed Sheeran

When (1)_____ (2)_____ don't (3)_____ like
they used to before
And I can't sweep you off of your feet
Will your (4)_____ still remember the taste of my love?
Will your eyes still smile (5)_____ your cheeks?
Darling I (6)_____ be loving you till we're seventy
And baby my heart (7)_____ (8)_____
(9)_____ as hard at twenty three
And I'm thinking about how
People fall in love in mysterious ways
Maybe just the touch of a hand
Well me I fall in love with you every single day
And I (10)_____ want to tell you I am
So honey now
Take me into your loving arms
Kiss me (11)_____ the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Maybe we found love
Right where we are
When my hairs all but gone
And my (12)_____ fades
And the (13)_____ don't remember my name
When my hands don't play the strings the same way
I know you will (14)_____ love me the same
Because honey your soul could (15)_____ grow old

It's evergreen
And baby your smile is forever
In my (16)_____ and memory
I'm thinking about how
People fall in love in mysterious ways
And maybe it's all part of a plan
I'll just keep on making the same mistakes
Hoping (17)_____ you'll understand
That baby now
Take me into (18)_____ (19)_____
(20)_____
Kiss me under the light of a thousand stars
Place your (21)_____ on my (22)_____
heart
I'm thinking out loud
Baby we found love
Right (23)_____ we are
So (24)_____ now
Take me into your loving arms
Kiss me under the light of a thousand stars
Oh darling, place your head on my beating heart
I'm thinking out loud
Baby we found love right (25)_____ we are
Baby we found love right where we are
And we found love right where we are
