

Fill in the gaps

Hot N Cold by Katy Perry

You change your mind
Like a girl (1) _____ clothes
Yeah, you PMS (2) _____ a bitch
I would know
And you (3) _____ think
Always speak cryptically
I should know
That you're no (4) _____ for me
'Cause you're hot then you're cold
You're yes then you're no
You're in and you're out
You're up and you're down
You're wrong (5) _____ it's right
It's black and it's white
We fight, we break up
We kiss, we (6) _____ up
You, you don't (7) _____ (8) _____ stay, no
You, but you don't really (9) _____ go, oh
'Cause you're hot then you're cold
You're yes (10) _____ you're no
You're in and you're out
You're up and you're down
We used to be just like twins, so in sync
The (11) _____ energy now's a (12) _____ battery
Used to laugh 'bout nothing
Now you're plain boring
I should know
That you're not gonna change
'Cause you're hot then you're cold
You're yes then you're no
You're in and you're out
You're up and you're down
You're wrong when it's right
It's black and it's white
We fight, we break up
We kiss, we make up

You, you don't (13) _____ (14) _____ stay, no
You, but you don't really wanna go, oh
You're hot then you're cold
You're yes then you're no
You're in and you're out
You're up and you're down
Someone call the doctor
Got a case of a love bipolar
Stuck on a rollercoaster
Can't get off this ride
You (15) _____ your mind
Like a girl changes clothes
'Cause you're hot then you're cold
You're yes then you're no
You're in and you're out
You're up and you're down
You're wrong when it's right
It's black and it's white
We fight, we break up
We kiss, we make up
'Cause you're hot then you're cold
You're yes then you're no
You're in and you're out
You're up and you're down
You're wrong (16) _____ it's right
It's black and it's white
We fight, we break up
We kiss, we make up
You, you don't really (17) _____ stay, no
You, but you don't really wanna go, oh
You're hot then you're cold
You're yes then you're no
You're in and you're out
You're up and you're down, down, down, down...

Fill in the gaps

Answer

1. changes
