

## Fill in the gaps

### More Than This by One Direction

I'm broken, do you hear me  
I am blinded, but you are everything I see  
I'm dancing, alone  
I'm praying, that your heart will just turn around  
And as I walk up to your door  
My head turns to face the floor  
Cause I can't (1)\_\_\_\_\_ you in the eyes and say  
When he (2)\_\_\_\_\_ his arms and holds you close  
tonight  
It just won't feel right  
Cause I can love you more than this  
Yeah  
When he lays you down, I might just die inside  
It just don't feel right  
Cause I (3)\_\_\_\_\_ love you more than this  
Can (4)\_\_\_\_\_ you more than this  
If I'm louder, (5)\_\_\_\_\_ you see me  
Would you lay down in my arms and rescue me  
Cause we are the same  
You save me  
When you leave it's gone again  
Then I see you on the street  
In his arms, I get weak  
My body fails, I'm on my knees  
Prayin'  
When he opens his arms and holds you close tonight  
It just won't feel right  
Cause I can love you more than this  
Yeah

When he lays you down, I might just die inside  
It just don't feel right  
Cause I could love you more than this  
Yeah  
I never had the words to say  
But now I'm asking you to stay  
For a little while inside my arms  
And as you close your eyes tonight  
I pray that you will see the light  
That's shining from the stars above  
Now I say  
When he opens his (6)\_\_\_\_\_ and (7)\_\_\_\_\_ you  
close tonight  
It just won't feel right  
Cause I can love you more than this  
Cause I can love you more than this  
When he (8)\_\_\_\_\_ you down, I might just die inside  
It just don't feel right  
Cause I could love you more than this  
Yeah  
When he opens his arms and holds you close tonight  
It just won't feel right  
Cause I can love you more than this  
Yeah  
When he lays you down, I might just die inside  
It just don't feel right  
Cause I could love you (9)\_\_\_\_\_ than this  
Could love you more than this

## Fill in the gaps

Answer

1. look
2. opens
3. could
4. love
5. would
6. arms
7. holds
8. lays
9. more
