We've got some straightenin' out to doI need to be with myself, and centerAnd I'm gonna miss you like a child misses their blanketClarity, peace, serenity
And I'm gonna miss you like a child misses their blanket Clarity, peace, serenity
But I've got to get a move on with my life I hope you know, I hope you know
It's time to be a big girl now That this has nothing to do with you
And big girls don't cry It's personal, myself and I
Don't cry, don't cry, don't cry We've got some straightenin' out to do
The path that I'm walkin', I must go alone And I'm gonna miss you like a child misses their blanket
I must take the baby steps 'til I'm full grown, full grown But I've got to get a move on with my life
Fairy tales don't always have a happy ending, do they? It's time to be a big girl now
And I foresee the dark ahead if I stay And big girls don't cry
I hope you know, I hope you know Don't cry, don't cry, don't cry
That this has nothing to (5) you
