

Fill in the gaps

I Won't Give Up by Jason Mraz

When I (1)_____ (2)_____ your eyes

It's like watching the night sky

Or a beautiful sunrise

Well, there's so much they hold

And just like them old stars

I see that you've (3)_____ so far

To be (4)_____ where you are

How old is your soul?

Well, I won't give up on us

Even if the skies get rough

I'm giving you all my love

I'm still looking up

And when you're needing your space

To do some navigating

I'll be here patiently waiting

To see what you find

'Cause even the stars they burn

Some even fall to the earth

We've got a lot to learn

God knows we're worth it

No, I won't give up

I don't wanna be someone who walks away so easily

I'm here to stay and make the difference that I can make

Our differences they do a lot to teach us how to use

The tools and gifts we got, yeah, we got a lot at stake

And in the end, you're (5)_____ my friend at least we

did intend

For us to (6)_____ we didn't break, we didn't burn

We had to learn how to bend without the world caving in

I had to learn (7)_____ I've got, and what I'm not, and

who I am

I won't give up on us

Even if the skies get rough

I'm giving you all my love

I'm still looking up, still looking up.

Well, I won't give up on us (no I'm not giving up)

God knows I'm tough enough (I am tough, I am loved)

We've got a lot to learn (we're alive, we are loved)

God knows we're worth it (and we're worth it)

I won't give up on us

Even if the skies get rough

I'm (8)_____ you all my love
