Fill in the gaps

I can't believe it's over
I watched the whole thing fall
And I (1)_____ saw the writing that was on the wall
If I'd only knew
The days were slipping past
That the (2)_____ things never last
That you were crying
...
Summer turned to winter
And the snow it turned to rain
And the rain turned into tears upon your face
I hardly recognized
The girl you are today
And god I hope it's not too late
...
It's not too late
'Cause you are not alone
I'm (3)_____ there (4)_____ you
And we'll get lost together
Till the light (5)_____ pouring through
'Cause (6)_____ you feel like you're done
And the darkness has won
Babe, you're not lost...
When your worlds crashing down
And you can't bear the thought
I said, babe, you're not lost

Life can show no mercy
It can tear your soul apart
It can make you feel like you've gone crazy
But you're not
Things have seem to changed
There's one thing that's still the same
In my (7)_____ you have remained
And we can fly fly fly away
'Cause you are not alone
And I am there with you
And we'll get (8)_____ together
Till the light comes pouring through
'Cause when you feel like you're done
And the darkness has won
Babe, you're not lost
When the worlds (9)_____ down
And you can not bear to crawl
I said, baby, you're not lost
...
I said, baby, you're not lost
I said, baby, you're not lost
...
I said, baby, you're not lost
