

Somewhere I Belong by Linkin Park

(When this began)	I wanna feel
I had nothing to say	What I thought was never real
And I'd get lost in the nothingness inside of me	I wanna let go of the pain I've felt so long
(I was confused)	(Erase all the pain till it's gone)
And I let it all out to find	l wanna heal
That I'm not the only person with (1) things in	I wanna feel
mind	Like I'm close to something real
(Inside of me)	I wanna find something I've wanted all along
But all that they can see the words revealed	Somewhere I belong
Is the only real thing (2) I've got (3) to	l will never know
feel	Myself until I do this on my own
(Nothing to lose)	And I (8) never feel
Just stuck, hollow and alone	Anything else until my wounds are healed
And the fault is my own	I will never be
And the fault is my own	Anything till I break away from me
l wanna heal	I will break away
l wanna feel	I'll find myself today
What I thought was never real	I (9) heal
I wanna let go of the pain I've felt so long	I wanna feel
(Erase all the pain till it's gone)	What I thought was never real
I wanna to heal	I wanna let go of the pain I've felt so long
I wanna to feel	(Erase all the pain till it's gone)
Like I'm close to something real	I wanna heal
I wanna find something I've wanted all along	I wanna feel
Somewhere I belong	Like I'm close to something real
And I've got nothing to say	I wanna find something I've wanted all along
I can't (4) I didn't fall right down on my face	Somewhere I belong
(I was confused)	I wanna heal
Looking everywhere only to find	I wanna feel like I am
That it's not the way I had (5) it all in my	Somewhere I belong
mind	I wanna heal
(So what am I)	I wanna feel like I am
What do I have but negativity	Somewhere I belong
'Cause I can't (6) way	Somewhere I belong
(7) is looking at me	
(Nothing to lose)	
Nothing to gain, hollow and alone	
And the fault is my own	

And the fault is my own

And the fault is my own
