

## Fill in the gaps

### Stay The Night by James Blunt

(Ooooooh, ooooooh, ooooooh, hey!)

It's seventy two degrees, zero chance of rain

It's been a (1)\_\_\_\_\_ day

We're all spinning on our heels, so far away from real  
In California, (hey...)

We watched the sunset from our car, we all took it in

And by the time that it was dark

You and me had something, (yeah)

And if this is what we've got

Then what we've got is gold

We're (2)\_\_\_\_\_ bright and I want you

I want you to know

The morning's on it's way

Our friends all say goodbye

There's (3)\_\_\_\_\_ else to go

I hope that you'll stay the night

(Ooooooh)

You'll stay the night

(Ooooooh... yeah)

We've been singing Billie Jean

Mixin' vodka with caffeine

We've got strangers stopping by

And though you're out of tune

Girl you blow my mind, you do

And I'll say I don't (4)\_\_\_\_\_ say good night

There's no quiet corner to get to know each other

And (5)\_\_\_\_\_ no hurry I'm a patient man

Is your discover

Cause if this is (6)\_\_\_\_\_ we've got

Then what we've got is gold

We're (7)\_\_\_\_\_ bright and I want you

I want you to know

The morning's on it's way

Our friends all say goodbye

There's nowhere else to go

I hope that you'll stay the night

(Ooooooh)

You'll stay the night

(Ooooooh... yeah)

Just like the song on our radio set

We'll share the shelter of my single bed

But it's a different tune that's stuck in my head

And it goes...

If this is what we've got

Then what we've got is gold

We're shining bright and I want you

I want you to know

The morning's on it's way

Our friends all say goodbye

There's nowhere else to go

I hope that you'll stay the night

If this is (8)\_\_\_\_\_ we've got

Then what we've got is gold

We're shining bright and I want you

I want you to know

The morning's on it's way

Our friends all say goodbye

There's (9)\_\_\_\_\_ else to go

I hope that (10)\_\_\_\_\_ stay the night

## Fill in the gaps

Answer

1. perfect
2. shining
3. nowhere
4. wanna
5. there's
6. what
7. shining
8. what
9. nowhere
10. you'll
