Fill in the gaps

The wavelength gently grows
Coercive notions re-evolve
A universe is trapped inside a tear
It resonates the core
Creates unnatural laws
Replaces love and happiness with fear
How much deception can you take?
How (1)_____ lies (2)_____ you create?
How much longer until you break?
Your mind is (3)_____ to fall
And they are (4)_____ through
They are breaking through
They are breaking through
(We are losing control)
And (5)_____ are breaking through
They are breaking through
They are breaking through

Now we're falling
We are (6)_____ control
Invisible to all
The mind becomes a wall
All of history deleted with one stroke
How much deception can you take?
How many lies will you create?
How (7)_____ (8)_____ until you break?
Your mind is about to fall
And they are (9)_____ through
They are breaking through
They are breaking through
Now we're falling
We are losing control
