

No It Isn't by Plus 44

Please understand

This isn't just goodbye

This is I can't stand you

This is where the road crashed into the ocean

It rises all around me

And now we're barely breathing

A thousand faces we'll choose to ignore

Curse my enemies forever

Let's slit our wrists and burn down something beautiful

This desperation leaves me overjoyed

With fading lights that lead us (1)_____ the lives that we
destroy

I listen to you cry

A cry for (2)_____ attention

But both my hands are tied

And I'm pushed into the deep end

I (3)_____ to you talk but talk is cheap

And my (4)_____ is filled with blood

From trying not to speak

So search for an excuse

And someone to believe you

In foreign (5)_____ rooms

Fill in the gaps

I'm empty with the need to

Curse my enemies forever

Let's slit our wrists and (6)_____ down

(7)_____ beautiful

This desperation leaves me overjoyed

With fading lights that lead us past the lives that we destroy

Curse my enemies forever

Let's slit our wrists and burn down (8)_____

beautiful

This desperation is leaving me overjoyed

With fading lights that lead us past the lives that we destroy

Please understand

Lay rotting where I fall

I'm dead from bad intentions

Suffocated and embalmed

And now all our dreams are cashed in

You swore you wouldn't lose then lost (9)_____ brain

You make a sound that feels like pain

So please understand

This isn't just goodbye

This is I can't stand you

Answer

1. past
2. less
3. listen
4. mouth
5. dressing
6. burn
7. something
8. something
9. your

Fill in the gaps
