

No It Isn't by Plus 44

Fill in the gaps

Please understand

This isn't just goodbye

This is I can't (1)_____ you

This is (2)_____ the road crashed into the ocean

It (3)_____ all (4)_____ me

And now we're (5)_____ breathing

A thousand faces we'll choose to ignore

Curse my enemies forever

Let's slit our wrists and burn down something beautiful

This desperation leaves me overjoyed

With (6)_____ lights that lead us past the

(7)_____ that we destroy

I listen to you cry

A cry for less attention

But both my (8)_____ are tied

And I'm pushed into the deep end

I listen to you talk but talk is cheap

And my mouth is filled with blood

From trying not to speak

So search for an excuse

And someone to believe you

In foreign dressing rooms

I'm empty with the need to

Curse my enemies forever

Let's slit our wrists and burn down something beautiful

This desperation leaves me overjoyed

With fading lights that lead us past the lives (9)_____ we

destroy

Curse my enemies forever

Let's slit our wrists and burn down something beautiful

This desperation is leaving me overjoyed

With fading lights that lead us past the lives that we destroy

Please understand

Lay rotting where I fall

I'm dead from bad intentions

Suffocated and embalmed

And now all our dreams are cashed in

You swore you wouldn't lose then lost your brain

You make a sound that feels like pain

So please understand

This isn't just goodbye

This is I can't stand you
