

Fill in the gaps

Where The Streets Have No Name (Live) by U2

Amazing grace

How sweet the sound

That saved

A wretch

Like me

I once

Was lost

Though now

I'm found

I was blind

But now

I see

I was blind

But now

I see

...

(Come on, (1)_____ on)

I wanna run

I want to hide

I wanna tear down the walls

That hold me inside

I wanna reach out

And (2)_____ the flame

Where the streets have no name

I wanna feel

Sunlight on my face

I see the dust-cloud disappear

Without a trace

I wanna take shelter

From hurricane

Where the streets have no

Name

Where the streets have no name

Where the streets have no name

We're still building and burning down love

Burning down love

And when I go there

I go there (3)_____ you

It's all I can do

The city's a flood

And our love (4)_____ to rust

We're beaten and blown by the wind

Trampled in dust

I'll show you a place

It's high

High

Where the streets have no

Name

Where the streets have no name

Where the streets have no name

We're still building and burning down love

Burning (5)_____ love

And (6)_____ I go there

I go there with you (to (7)_____ place)

It's all I can do

...

Love, love, love

Only love

Where the streets have no name

Where the streets (8)_____ no name

We're still (9)_____ and burning down love

Burning down love

And when I go there

I go there with you

It's all I can do

Love

We are love

We are love

Africa rising
