

Fill in the gaps

93 Million Miles by Jason Mraz

93 million miles from the sun
People get ready, get ready
'Cause here it comes, it's a light
A beautiful light
Over the horizon, into our eyes
Oh, my, my, how beautiful
Oh, my beautiful mother
She (1)_____ me, son, in life you're gonna go far
If you do it right, you'll (2)_____ where you are
Just know, wherever you go
You can (3)_____ come home...
240 (4)_____ miles from the moon
We've come a long way to belong here
To share this (5)_____ of the night
A glorious night
Over the horizon is another (6)_____ sky
Oh, my, my, how beautiful
Oh, my irrefutable father
He told me, son, sometimes it may seem dark
But the absence of the light is a necessary part
Just know, you're never alone
You can always come back home...
Home

Home
You can always (7)_____ back
Every road is a (8)_____ slope
But there is always a hand that you can hold on to
Looking deeper through the telescope
You can see that (9)_____ home's inside of you
Just know
That wherever you go
No, you're (10)_____ alone
You will always get back home....
...
Home
Home
...
93 million miles from the sun
People get ready, get ready
'Cause here it comes
It's a light, a beautiful light
Over the horizon
Into our eyes

Fill in the gaps

Answer
